

## **Bloomington Archery Club (BAC) Membership Expectations and Rights- 2020**

BAC is one of the oldest Non-Profit Organizations in the state of Indiana. We have been around for a very long time. We are unique in a way that we own the land that we use for our shoots. We keep a very small operating budget to keep the place running. For goods and services which can't be provided through our membership, the club must pay for it. Through good times and hard times, the club has leaned on its members to help perpetuate it from year to year. Members have volunteered their time to repair shooting lanes, mow the grass, paint the clubhouse, etc. Members have donated items to help lower the cost of running the club which is a business. As a club member (Single Membership or the primary member for a Family Membership) it is reasonable to expect a small amount of volunteer service to your organization. By pitching in with a very small amount of volunteer time, you help keep our costs low in order to make it affordable for more people to enjoy our sport.

BAC is asking its members for the following commitments:

- Attend as many club meetings as possible. (These are currently held the Wednesday before each monthly shoot.)
- Attend One scheduled Work Party a year. {There will be at least three and will be announced 1 month beforehand.}
- Assist by volunteering a couple hours during one monthly shoot. (Working sign-ups, kitchen help, or range duties.)
- Assist by volunteering a couple hours at our annual event, The BAC Wing-Ding. (Working sign-ups, kitchen help, or range duties.)
- Help keep our property clean. If you see garbage on the grounds, please pick it up and throw it away.

In exchange for service and annual dues, you have rights as a club member. These rights are as follows:

- You are able to access the property throughout the entire year by a key to the gate which is given when you pay your annual dues. If you have a Family Membership, the primary member must be present with family members. You may use the property as you would use a primitive campground. Make sure to have a signed membership card if someone on the property asks you to provide membership proof.
- You are given a discount price on all monthly shoots except for the Wing-Ding.
- You are a voting member at our monthly club meetings. As a member you can help make this club better.

We thank you for being a member here at BAC. We hope that you get to enjoy your full amount of club membership as possible. We hope to see you out at the club often. If you have any questions about these expectations or rights, please get with a BAC officer for further explanation.
